Oysters in every style at all hours-day and night. Henry Myer presides over the culinary department. CASTORIA - a substitute for castor oil a physic which does not distress or gripe, but is sure to operate when all other remedies have failed. You may confidently rely upon the Castoria in stomach sche, constipation, flatulency, croup, worms, piles or deranged liver. It contains neither minerals, morphine, opium nor alcohol, but is purely a vegetable preparation, perfectly harmless, and above all, pleasant to take. The Castoria soothes and quiets the system, and produces nat-ural sleep. It is a wonderful thing to assimilate the food of children and prevent them from crying. A thirty-five cent bottle will do the work for a family and save many a doctor's bill. 10-18-w4t.

Ladies who have not een favored by nature with this crowning charm of womanhood can readily and cer-tainly increase the volume of their hair and impart to it a silken lustre by using Lyon's Kathairon as a daily dressing; while those whom providence has blessed with a superabundance of this "glory" of the sex, can preserve it, undiminished, in quality and undiminished in beauty to the latest period of life. There is a germinat-ing principle in the Kathairon which literally compels the hair to grow. It extir-pates scurf, dandruff, and all exfoliations and excresences of the scalp which inter-fere with the rapid and healthy develop-
